THREAD features a unique and unmistakable linen texture not found in other manufactured products. Running your hands over the surface, you understand that your eyes are not deceiving you – the tile truly does have the “THREAD” of the world’s nest textured linen. Created using Mediterranea’s unique Dynamic HD Imaging® design process, THREAD features classic colors and subtle design elements to make it ideal for use in any distinctive installation. THREAD is available in five refined colors suited for the most elegant settings – Evening Sunset (olive), Summer Breeze (taupe), Snow Crest (white), Sun Glow (beige) and Pearl Essence (grey).

THREAD is manufactured in 12” x 24” and 3” x 12” formats designed to satisfy the latest design trends. Bullnose in a 3” x 12” size is also available to round out the collection. THREAD is truly a series for all the senses – a tile that needs to be both seen – and touched - to be appreciated.
