

GARDEN STATE TILE

Together We Can Design For Life

Garden State Tile Limited Warranty

This Warranty document also serves as a Certificate of Compliance.

Garden State Tile guarantees that its products will meet or exceed the performance Specifications outlined in ANSI 137.1

Commercial Warranty

In the event of latent defects caused by improper manufacturing, the company will replace any defective units FOB plant (installation not included), provided the company is notified within one year of installation or within 18 months of shipment of said product, whichever occurs first. Proof of purchase is required; any claim processed will not exceed the purchase price limiting liability. Commercial Limited Warranties, specific installation details, structural design and environmental conditions are beyond the control of the company. Garden State Tile cannot accept responsibility for the performance of its products where improper installation, design or environmental conditions exist.

Natural Stone products come from natural formations and these products are not subject to a manufacturing process. Quality and warranties are limited to the specified representations in product literature guidelines established by the Marble Institute of America. Garden State Tile does not warranty natural stone for shade, size, thickness, warping, cleft variations surface, finish variations or other natural variances on stone products.

DISCLAIMER: Tile, by the nature of the product, is a material that is subject to variation in veining and/or color as well as technical specifications including but not limited to DCOF (Dynamic Coefficient Of Friction). This is due to the variability of the natural raw ingredients and the production process itself. Misuse of the product by the customer including physical, chemical abuse, negligence is not covered under warranty. Installation defects or deficiencies are not covered by this warranty. Samples and merchandising are for general reference only. When alternative / restorative floor treatments are employed, it's the responsibility of the manufacturer of such treatments to verify compatibility and offer any product warranty / guarantee. Some treatments alter the tile surface characteristics and may involve product recommendations.
