Together We Can Design For Life

DOLOMIA

DOLOMIA

The Dolomia Collection draws inspiration by the Limestone formations that bore witness to the steady passage of life on earth, leaving us a philosophical and physical legacy to be incorporated into design and architecture.

As a masterpiece of nature, Limestone features organic and fluid lines that simulate a visually tactile textured surface, allowing you to experience the timeless essence of this ancient stone in your everyday life. Available in four neutral tones and two finishes: matte and polished. The Dolomia Collection is a versatile addition to all types of interior environment, effortlessly harmonizing with a range of decor styles, from classic to contemporary, while simultaneously conveying a sense of calm, organic, grandeur.
