KODIAK

KODIAK

Imagined to surpass limits. To reach the frontier of technical and aesthetic innovations and possibilities. That was the guiding principle in the development of this new surface.

A fusion of the strength of natural stones with the warmth of leather and the elegance of gold gave rise to Kodiak, with its designs, reliefs, protrusions, textures, and predominant tones between black and brown.

Kodiak is born to be timeless, for projects and individuals who dream of boldness. In 120x270 and 120x120 formats, use it whole or in cuts. Use it at home, for leisure, and at work.

Kodiak Porcelain, the beauty of creativity and technology revealed.
