SCULPTURAL AND TACTILE SURFACES.

60x120
23^{1/2}"x47^{1/4}"

Terre imprints on the surfaces the spontaneous craftsmanship of shapes and volumes typical of the clay. The three three-dimensional surfaces, in Cotto and Bianco colours, reflect deliberately irregular patterns and a textured rhythm that brings to mind the craft-based quality of hand-made bricks onto the walls.

FUNCTIONAL BEAUTY.

The Terre project interprets domestic spaces with shapes and sizes that reflect warmth and comfort.
