## Porcelain Stone<sup>®</sup>

### COVE: Where Innovation Meets Authenticity

Aesthetically versatile, Cove brings a harmonious balance of form and function to both residential and commercial interiors. Its soft, organic texture and neutral color palette create a serene atmosphere, making it ideal for spa-like bathrooms, sophisticated kitchens, elegant lobbies, and refined hospitality spaces. Whether enhancing contemporary minimalism or creating classic heritage design, its adaptability allows it to seamlessly integrate into diverse architectural visions.

With Visual Touch Technology™ glazing technology, Cove introduces a subtle tactile experience that follows the unique linear characteristics, intricate veining and tonal variations of natural Portland stone—a creamy Jurassic limestone quarried exclusively from the Isle of Portland in South Dorset. This innovation brings depth and dimension to the surface, offering a true-to-stone feel that enhances the connection between visual beauty and touch. Cove also offers the superior durability, stain resistance, and effortless maintenance of porcelain making it an ideal choice for high-traffic areas and moisture-prone environments.

Cove is offered in five restorative neutral colors and one field tile size—12x24—providing design flexibility for both intimate and large-scale applications. Two finish options are available: UPS with Visual Touch for interior spaces, and EXT for exterior use in the 12x24 size, allowing for seamless visual continuity between indoor and outdoor environments. Coordinating bullnose and cove base trim support functional, code-compliant installations, while the mosaic option—a 2x4 stacked—add refined detail and creative versatility.

Designed to elevate modern interiors, Cove transforms spaces with understated elegance and enduring appeal. It's a sophisticated blend of heritage and innovation—timeless design, rooted in history and re-imagined for the way we live today.

# Specifications

## Sizes

12 x 24

2 x 4 Stacked  
Mosaics

Mounted on a 296.9 x 296.9 sheet

## Sizes & Finishes

### Field Tile - Rectified

Available in all colors

Nominal (in)	Actual (mm)	Thickness (mm)	Grout Joint (mm)	Finish
12 x 24	297 x 597	9.5	3.0	UPS/EXT

**Note:** Field tile is rectified with a 3mm grout joint

### Mosaics

Available in all colors

Nominal (in)	Sheet Size (mm)	Thickness (mm)	Grout Joint (mm)	Finish
2 x 4 Stacked*	296.9 x 296.9	9.5	2.5	UPS

\* Mounted on 12 x 12 sheet (coverage area 0.98sf) \*\* Mounted on 11 x 11 sheet (coverage area .82sf)

### Coordinating Trim

Available in all colors

Nominal (in)	Actual (mm)	Thickness (mm)	Grout Joint (mm)	Finish
4 x 24 Single Bullnose	97 x 597	9.5	3.0	UPS
6 x 12 Cove Base	150 x 297	9.5	3.0	UPS

4 x 24 Single  
Bullnose

6 x 12 Cove Base

**Note:** EXT and CBS will not feature VisualTouch technology

## Product Performance

Water Absorption	< 0.50	ASTM (C373)
Breaking Strength	> 450 lbf	ASTM (C648)
Bond Strength	> 200 psi	ASTM (C482)
Facial Dimension	± 0.10%	ASTM (C499)
Range of Thickness (in)	0.025	ASTM (C499)
Warpage - Diagonal	± .20%	ASTM (C485)
Wedging		ASTM (C502)
Frost (Freeze/Thaw) Resistance)	Resistant	ASTM (C1026)
Chemical Resistance	Unaffected	
Stain Resistance	Unaffected	
Scratch Hardness	7	Mohs Scale
Deep Abrasion	na	ASTM (C1243)
Crazing Resistance	Resistant	ASTM (C424)
Thermal Shock Resistance	Resistant	ASTM (C484)
Visible Abrasion Resistance		ASTM (C1027)

## Wet Dynamic Coefficient of Friction Range

UPS	0.42 - 0.52	ANSI A326.3
EXT	0.60 - 0.70	ANSI A326.3

## Shade & Texture Index

Cove has a shade variation of V3.

V1

V2

V3

V4

V1 Uniform appearance V2 Slight Variation

**V3 Moderate Variation** V4 Substantial Variation

This porcelain tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

### Recommended Use

Cove is recommended for interior floors dry, interior walls, countertops, exterior walls, pool waterlines and full linings† in both residential and commercial applications. Cove is not recommended for exterior horizontal surfaces or exterior paving.

† Excludes mesh mounted mosaics.

### Care and Maintenance

Regular cleaning is the best way to keep Cove tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed.

### Wet area use for Mosaics

Cove 2x4 Stacked Mosaic is produced with the UPS finish. The ANSI A326.3 wet Dynamic COF of Cove is  $\geq 0.42$ . Their small sizes ensure frequent grout joints which provides traction and drainage. GST cannot control situations involving incorrect installation, improper slope to the drain for elimination of standing water and poor surface cleaning.

This information is provided so that customers may make a realistic and informed decision when comparing Cove to other tile products in wet area environment, such as residential/commercial bathrooms, showers, and interior pool decks.

### Our Warranty

Products will meet or exceed the performance specifications outlined in ANSI A137.1 and in the performance data section of the general product catalog.
