Color in Motion. Rhythm in Every Tile.

Its terrazzo-like surface is alive with multicolored fragments and glossy highlights, creating a dynamic choreography of texture and tone. In every tile, flecks rise and fall like musical notes, catching the light with an unexpected color and brilliance.

A New Palette. A Familiar Harmony.

With a refreshed palette of four colors: White, Greige, Blue, and Green, Prism Encore introduces a new personality while coordinating effortlessly with the entire Prism family. Thoughtfully composed to echo and enhance the hues of both Prism and Prism+, its expressive inclusions weave familiar tones into each surface, allowing installations to flow seamlessly from one collection to the next. The result is a natural harmony among geometric decos, expansive fields, and terrazzo-inspired textures.

Available in a 12×24 format and a 16-piece mosaic, Prism Encore offers tools for building rhythm, layering harmonies, and composing spaces that feel both composed and improvised.

PRODUCT CERTIFICATIONS AND DECLARATIONS FOR BUILDINGS

Declare: A voluntary tool, recognized within the LEED credits, that ensures maximum transparency regarding the chemical composition of products and the total absence of substances considered to be harmful to human health and the environment. Declare is capable of guiding the choices of designers and end consumers towards healthier and more environmentally-friendly products.

Green Squared: The logo for Green Squared® involves one industry, one standard, and one mark and covers the gamut of products used in a tile installation. It was the first multi-attribute sustainability standard developed for tiles and tile installation materials. Green Squared® uses the transparency and consensus of the ANSI® process combined with third party certification to evaluate, validate, and communicate products which have a positive impact on the environment and society. Green Squared® covers product characteristics, manufacturing, end of product life management, progressive corporate governance, and innovation in an effort to establish sustainability criteria for products throughout their full life cycle.

EPD: This Environmental Product Declaration is provided by Tile Council of North America (TCNA).

USGBC - LEED: Member of the U.S. Green Building Council: this is an organisation that promotes buildings that are environmentally responsible, profitable and healthy places to live and work. LEED card is available on request.

Greenguard: This logo indicates that this product has been tested and received GREENGUARD® Gold Certification (formerly known as GREENGUARD® Children & Schools Certification). GREENGUARD® offers strict certification criteria, considers safety factors to account for sensitive individuals (such as children and the elderly), and ensures that a product is acceptable for use in environments such as schools and healthcare facilities. It is referenced by both The Collaborative for High Performance Schools (CHPS) and the Leadership in Energy and Environmental Design (LEED®) Building Rating System.

HPD: A summary of product contents and results from screening individual chemical substances against HPD Priority Hazard Lists and the Green Screen for Safer Chemicals®.
